[expressed or to be expressed / marked with x or to be marked with x](#)

Hi, Please advise, in the context below, would you say - when the form is filled in - A. Monetary data expressed in euros and eurocents. + (mark with x where applicable) or B. Monetary

where applicable

How can i translate this phrase? (as in "including the recollection of funds, where applicable")
Merci! Moderator's note: two threads have been merged to create this one.

As applicable

"As applicable", in this case, just means "whichever of which apply to you." For instance, if you didn't have an email address, than that obviously would not be applicable (in this case, for being

applied/applicable

Hi, I have my doubts about using "applied" and "applicable". Could they be interchangeable in this context? "That rule is not applied/applicable in this case"? Thanks a lot.

[applicable against , WordReference](#)
