

China solar powered generator in Qatar

Overview

15-megawatt photovoltaic (PV) plant in Qatar, constructed by POWERCHINA Guizhou Engineering Co - based in Guiyang, capital city of China's Southwest Guizhou province - was recently successfully connected to the grid in Qatar at full capacity.

China solar powered generator in Qatar

China s solar power generation in Qatar

Located 80 km west of Qatar's capital, Doha, the Al Kharsaah Solar PV Independent Power Producer (IPP) project is the country's first large-scale solar power plant and is set to
