

Factory price 480v switchgear

Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply

The image features a large white 480V switchgear unit on the left. To its right is a text box with two lines of italicized text: "Support photovoltaic input and AC mains input" and "Suitable for home energy storage and emergency backup power supply". Below the text box is a framed image showing a variety of modern kitchen appliances: a white range hood, a white range, a black refrigerator with a glass door, a white dishwasher, and a laptop computer.
