How do I setup a DMZ with Google Fiber?

Google Fiber Community

Screen says Google Fiber authenticating, this may take a moment, but it hasn't changed in 20 minutes Can I use the old google fiber tv remote for the new Google Chromecast with TV View all

AFAIK, all the Fiber network preferences have been moved to the Google Home app, and the DMZ setting appears to have been lost in the process. I'd love to be proven wrong, however.

[Fiber optic splicing for solar container communication stations and](#)
