

Green electricity belgrade

Overview

Belgrade, Serbia's vibrant capital, is at a critical crossroads in the global shift towards sustainable energy.

Green electricity belgrade

Belgrade's struggle for a green future: energy transition

By embracing forward-thinking reforms, investing in modernized energy infrastructure, and leveraging international partnerships, Serbia has the

Discolored semen: What does it mean?

Yellow or green semen. Semen can look more yellow as a person gets older. Other causes could be an infection, jaundice, or a side effect of taking medicine that turns the semen

Baby poop: What to expect

Yellow-green. Your baby's poop may turn this color once the meconium stool has passed. Yellow. Breastfed newborns usually have seedy, loose stool that looks like light mustard.

Spitting up in babies: What's OK, what's not

Spitting up is common in babies. During their first three months, about half of all babies do it. The food backs up from the baby's stomach through the same tube that carries food to the

Trichomoniasis

Trichomoniasis is a common sexually transmitted infection. A parasite causes it. The parasite can spread through genital touching and sex without a condom. In women, trichomoniasis

Stool color: When to worry

Stool color is generally influenced by what you eat as well as by the amount of bile - a yellow-green fluid that digests fats - in your stool. As bile travels through your digestive tract, it is
