

# Namibia new energy bms battery

## Overview

---

The project features a 45 MW / 90 MWh BESS facility, representing the country's largest battery, and is part of the broader Transmission Expansion and Energy Storage (TEES) program. Funding support for TEES is being provided through the World Bank, under Loan and Grant numbers.

## Namibia new energy bms battery

---

### Namibia

Namibia gained independence from South Africa in March 1990, following the South African Border War. However, Walvis Bay and the Penguin Islands remained under South African control until 1994.
