Whether you're looking to power a home, a business, or a large-scale industrial project, Solar Electric Supply is your go-to partner for all your solar energy needs.

Homeowner's Guide to Solar

With a solar PPA, consumers agree to purchase the power generated by the system at a set price per kilowatt-hour of electricity produced. With both of these options, though, you are not entitled to tax

Solar Power Purchase Agreements

A host customer agrees to have solar panels installed on its property, typically its roof, and signs a long-term contract with the solar services provider to purchase the generated power.
