ENERGY STORAGE SYSTEM

The infographic features a white energy storage container with a green vertical stripe and the text 'ENERGY STORAGE SYSTEM' on its side. The container has a control panel with three indicator lights (two red, one green) and a black handle. A ventilation grille is visible on the lower left side of the container.

Overview

Behind every compact package, however, are a set of basic technical parameters: panel power, battery capacity, inverter technology, thermal management, and others.
