

Technical requirements for solar power irrigation

Overview

According to Sass and Hahn (2020), the data required to design a solar-powered irrigation system are: crop data (crop type, growing season, crop rotation, and water demand); water data (availability of water); site data (longitude, latitude, water source, and pumping head); and.

Technical requirements for solar power irrigation

technical adjective

Definition of technical adjective in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

Technical

Having or demonstrating special skill or practical knowledge especially in a mechanical or scientific field: a technical adviser; technical expertise in digital photography.

TECHNICAL , English meaning
