

# Vanuatu Valley Electric Energy Storage Device

## Overview

---

These modular units store excess solar heat in ceramic bricks at 1,500°C - four times cheaper than battery arrays for overnight power generation. A pilot project at Ouaga 2000 Industrial Zone achieved 94% efficiency in converting stored heat to electricity.

## Vanuatu Valley Electric Energy Storage Device

---

### Vanuatu

In the 1970s, an independence movement arose, and the Republic of Vanuatu was founded in 1980. Since its independence, the country has become a member of the United Nations, the
